Welcome & Table of Contents

DEAR VISITORS,

KIWANIS HOLIDAY LIGHTS
MANKATO, MINNESOTA
PRESENTED BY MF AND CHS

Welcome to year fourteen of Kiwanis Holiday Lights.

Every year people ask me the same question, "When are you going to hang it up?" My answer is simple, as long as I can still put up lights, displays, and buildings, I will continue to lead this great organization. Watching the smiling faces as they walk or drive through Kiwanis Holiday still makes me smile to this day.

As I sit and reflect on a few things, I never would have guessed we would be putting up over two million lights, and over one hundred displays this year. The goal from the beginning was to make this bigger and better every year. In my opinion, we have done just that.

A special thank you to the thousands of volunteers that help us put on this event each year. Without our seventy non-profit groups we could not have put this event on.

So, as you drive or walk through Kiwanis Holiday Lights, please make sure and thank a volunteer for their time.

From the Kiwanis Holiday Lights Board and myself, have a Happy Holidays and enjoy the lights.

Sincerely,

SCOTT WOJCIK
President, Kiwanis Holiday Lights

What is Kiwanis Holiday Lights?

A project of the Kiwanis Club of Mankato, the Kiwanis Holiday Lights is a celebration of holiday lights for the Greater Mankato area. Located in Sibley Park in Mankato, Minnesota, the event builds on past traditions and promotes the communities we serve, while raising money and collecting non-perishable food donations for those in need. Admission is free for everyone. Non-perishable food and cash donations are accepted and appreciated. Kiwanis Holiday Lights only collects cash and food donations within the lights display area in Sibley Park. No other organizations or individuals have been approved to collect donations on behalf of Kiwanis Holiday Lights. The City of Mankato does not allow dogs in Sibley Park, but furry friends are welcome to join you in your car as you drive through the display. Also, please be aware that some displays feature strobe lights, which may trigger seizures in sensitive individuals.

History

The idea for Kiwanis Holiday Lights originated with President Scott Wojcik. Inspired by a similar event in his hometown of Marshfield, Wisconsin, he brought the concept to the Mankato Downtown Kiwanis Club, who were seeking a fundraiser that could make a meaningful impact on the Mankato community. The key concept was that Kiwanis Holiday Lights would not only help promote Kiwanis as a whole, but also involve many other businesses and nonprofits from Greater Mankato. Preliminary planning started in the Spring 2011 and the idea appealed to many people, including the City of Mankato, who remembered the displays on Mary Circle and North Broad Street from past years. The official press release was released in June 2012. The Mankato Area Foundation and CHS were named as presenting partners, kick-starting the Kiwanis Holiday Lights capital campaign!

Mission

The mission of Kiwanis Holiday Lights is to create a celebration of holiday lights for the Greater Mankato Area that builds on past traditions and promotes the communities we serve, while raising money and collecting non-perishable food donations for those in need.

Volunteer

Kiwanis Holiday Lights is 100% volunteer operated, supported by local nonprofit groups. Each volunteer group has the opportunity to enter a float in the opening night parade and decorate a tree in the "nonprofit tree area." In addition, these nonprofit organizations receive a portion of the donations received by Kiwanis Holiday Lights.

Since Kiwanis Holiday Lights started in 2012, over 25,000 volunteers from over 145 nonprofit organizations have participated with set-up, tear-down and running the event, logging over 100,000 volunteer hours. Thanks to the donations that are provided by event attendees, over $900,000 has been donated to the nonprofit organizations that have provided volunteers.

If you're interested in volunteering, contact one of the groups listed on page 18 to inquire if they need assistance with their pre-scheduled volunteer shifts.
